NOTICE OF PUBLIC HEARING  
Sterling County, Texas

The Sterling County Commissioners' Court will conduct multiple public hearings at its scheduled meeting as follows. At the hearings, the public is invited to speak and present evidence for or against the tax abatement agreements. These public hearings will be held sequentially at the following locations and times:

January 21, 2025 at 9:00 am.  
Commissioners Courtroom, Sterling County Courthouse  
at 609 4<sup>th</sup> Ave, Sterling City, Texas 76951

A Public Hearing pursuant to Tex. Tax Code Section 312.207(d)- Honey Mesquite Wind Farm, LLC – has applied for an abatement within County Reinvestment Zone No. 2024-04 for the required assets of an operational ~152 MW Wind Project, including turbines, underground electrical collection cables, substation, meteorological & associated towers, transmission line, access roads to turbines, operation & maintenance building, foundations, roadways, paving & fencing, and interconnection facilities. The company would invest approximately \$190 million beginning in early 2026, with projected completion by December 2026.

A Public Hearing pursuant to Tex. Tax Code Section 312.207(d)-Forest Creek Wind has applied for an abatement within County Reinvestment Zone No. 2024-03 for the required assets of an operational 129.7 MW Wind Project (87.5 MW located in Sterling County), including turbines, underground electrical collection cables, substation, meteorological & associated towers, transmission line, access roads to turbines, operation & maintenance building, foundations, roadways, paving & fencing, and interconnection facilities. The company would invest approximately \$87.5 million beginning in early 2025, with projected completion by December 2025.
